Re: Participation of Jorge Enrique Forero

The DSA held their conference in Examination Schools, University of Oxford from 12th September to 14th September, 2016. Over 640 delegates attended for three days of panels and presentations.

This is to certify that Mr Jorge Enrique Forero attended the conference, and presented a paper entitled "*Postneoliberal governments" in Latin America and Buen Vivir ("Good Living")*: Tensions within a counterhegemonic process. Mr Forero also convened a panel entitled *Hegemonic struggles, development and post-development*.

The abstract of the paper and abstract of the panel, along with the other panel information was published both on the DSA website at <http://www.nomadit.co.uk/dsa/dsa2016/index.shtml> and in the conference booklet that was distributed to all delegates.

Mr Forero's participation in this event was much appreciated.

Yours faithfully,

Triinu Mets
