Ricardo Restrepo Echavarría

Dear Ricardo Restrepo Echavarría and Agnes Orosz,

Enclosed you will find evaluation of your manuscript BVP-18RR, "Buen Vivir and changes in education in Ecuador (2006-2016)", submitted for consideration in Latin American Perspectives. At a recent meeting the LAP Coordinating Editors reviewed these evaluations and agreed to accept the manuscript in its present form. If you would like to submit a final version of your manuscript, please let us know.

Attached you will find our "Copyright Request Form" that we require from all contributors. Please complete (print, sign and scan) the form at your earliest convenience. After making a copy for your records, the original can be sent to the LAP office by e-mail (PDF only) or post mail. Only high resolution PDF files will be accepted. Please do not send photos.

We require that all authors fully incorporate LAP Style and Artwork guidelines into the manuscript before it can be sent to our copyeditor. Please make sure your article is in the correct format.

Please make sure we have your mailing address on file. If your mailing address changes between now and publication of your article, please make sure to provide your new mailing address to LAP. We will be unable to reissue copies of the journal due to mistaken or outdated addresses.

We look forward to publishing your manuscript. Please contact the LAP office with any questions you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald H. Chilcote".

Ronald H. Chilcote
Managing Editor
